## Part 1: INTRODUCTION

### 1.1 About the Pacific Community (SPC)

The Pacific Community (SPC) is the principal scientific and technical organisation of the Pacific region, established by treaty in 1947 with the signing of the *Agreement Establishing the South Pacific Commission* (the Canberra Agreement).

Our unique organisation covers more than 20 sectors and is renowned for knowledge and innovation in such areas as fisheries science, public health surveillance, geoscience and conservation of plant genetic resources for food security.

For more information about SPC and the work that we do, please visit our website: <https://www.spc.int/>.

### 1.2 SPC's procurement activities

SPC's procurement activities are guided by the principles of high ethical standards, value for money, open competition and social and environmental responsibility and are carried out under our Procurement Policy.

For further information or enquiries about SPC's procurement activities, please visit the procurement pages on our website: <https://www.spc.int/procurement> or email: [procurement@spc.int](mailto:procurement@spc.int)

### 1.3 SPC's Request for Quotation (RFQ) Process

At SPC, procurement valued at more than EUR 2,000 and less than or equal to EUR 45,000 requires an evaluation of at least three quotations to determine the offer that provides the best value for money through a Request for Quotation (RFQ) process.

This RFQ sets out SPC's requirements for a project and it asks you, as a bidder, to respond in writing in a prescribed format with pricing and other required information.

Your participation confirms your acceptance of SPC's conditions of participation in the RFQ process.

## Part 2: INSTRUCTIONS TO BIDDERS

### 2.1 Background

SPC invites you to submit a quotation to deliver the services as specified in [Part 3](#).

SPC has compiled these instructions to guide prospective bidders and to ensure that all bidders are given equal and fair consideration. Please read the instructions carefully before submitting your bid. For your quotation to be considered, it is important that you provide all the prescribed information by the closing date and in the format specified.

### 2.2 Submission Instructions

You must **submit your quotation and all supporting documents** in English and as an attachment to an email sent to [Floyd@spc.int](mailto:Floyd@spc.int) and with the subject line of your email as follows: **Submission for RFQ25-6376** -.The email should also be copied to [rfq@spc.int](mailto:rfq@spc.int).

The supporting documents expected in this RFQ are:

- [The Conflict-of-Interest Declaration form](#) completed
- Updated CV

- Cover letter including skills and competencies.
- Contact for 3 referees.
- Your quote (daily in USD)

Your submission must be clear, concise and complete and should only include a quotation and information that is necessary to respond effectively to this RFQ. Please note that you may be marked down or excluded from the procurement exercise if your submission contains any ambiguities or lacks clarity.

Bids will be evaluated on the basis of information received by 11:59pm (Pohnpei Time), Federated States of Micronesia Time on 9 April 2024.

### 2.3 Evaluation & Contract Award

Each quotation validly received will be assessed against the evaluation criteria matrix set out in [Part 4](#). Any changes in the evaluation criteria will result in the RFQ process being re-issued.

SPC may award the contract once it has determined that a bidder has met the prescribed requirements and the bidder's proposal has been determined to be substantially responsive to the RFQ documents, provide the best value for money (highest cumulative score) and best serve the interests of SPC.

In the event of a bid being accepted, procurement will take place under SPC's [General Terms and Conditions of Contract](#) and depending on the value or nature of the procurement, the award will be made by issuing a purchase order or a signed and dated contract, or both.

### 2.4 Key Contacts

Please contact SPC should you have any doubt as to what is required or if we can help answer any questions that you may have.

The EDA Programme Officer will be your primary point of contact for this RFQ and can be contacted at [floyd@spc.int](mailto:floyd@spc.int). You should copy any communications into [rfq@spc.int](mailto:rfq@spc.int).

Details will be kept of any communications between SPC and bidders. This assists SPC to ensure transparency of the procurement process. While SPC prefers written communication in the RFQ process, at any point where there is phone call or other conversation, SPC expects to keep a file note of the exchange, with all forms of communication with prospective bidders to be retained as source documents for the procurement of the services.

### 2.5 Key Dates

Please see the proposed procurement timetable in the table below. This timetable is intended as a guide only and while SPC does not intend to depart from the timetable, it reserves the right to do so at any stage.

STAGE	DATE
<b>RFQ sent to potential vendors</b>	27 March 2024
<b>RFQ Closing Date</b>	9 April 2024
<b>Award of Contract</b>	26 April 2024
<b>Commencement of Contract</b>	30 April 2024
<b>Conclusion of Contract</b>	20 January 2025

## 2.6 Legal and compliance

**Confidentiality:** Unless otherwise agreed by SPC in advance or where the contents of the RFQ are already in the public domain when shared with the bidder, bidders shall at all times treat the contents of the RFQ and any related documents as confidential. SPC will also treat the information it receives from the bidders as confidential.

**Conflict of interest:** Bidders must take all necessary measures to prevent any situation of conflict of interest. You must notify SPC in writing as soon as possible of any situation that could constitute a conflict of interest during the RFQ process. If you have any familial connection with SPC staff, this must be declared, and approval will then be sought for you to engage in the RFQ process. **In support of your response to this RFQ, you must submit to SPC [the Conflict-of-Interest Declaration form](#) available on our procurement page website: <https://spc.int/procurement>.**

Breach of this requirement can result in SPC terminating any contract with a successful bidder.

**Currency, validity, duties, taxes:** Unless specifically otherwise requested, all proposals should be in USD and must be net of any direct or indirect taxes and duties, and shall remain valid for 120 days from the closing date. The successful bidder is bound by their proposal for a further 60 days following notification they are the preferred bidder so that the contract may be awarded. No price variation due to escalation, inflation, fluctuation in exchange rates, or any other market factors shall be accepted at any time during this period.

**No offer of contract or invitation to contract:** This RFQ is not an offer to contract or an invitation by SPC to enter into a contract with you.

**Privacy:** The bidder is to comply with the requirements of applicable legislation and regulatory requirements in force for the use of personal data that is disclosed for the purposes of this RFQ. SPC will handle any personal information it receives under the RFQ in line with its [Privacy Policy](#), and the [Guidelines for handling personal information of bidders and grantees](#).

**Warranty, representation, assurance, undertaking:** The bidder acknowledges and agrees that no person has any authority to give any warranty, representation, assurance or undertaking on behalf of SPC in connection with any contract which may (or may not) follow on from this RFQ process.

## 2.7 Complaints process

Bidders that consider they were not treated fairly during any SPC procurement process may lodge a protest. The protest should be addressed to [complaints@spc.int](mailto:complaints@spc.int). The bidder must provide the following information: (1) full contact details; (2) details of the relevant procurement; (3) reasons for the protest, including how the alleged behaviour negatively impacted the bidder; (4) copies of any documents supporting grounds for protest; (5) the relief that is sought.

## Part 3: TERMS OF REFERENCE

### A. Background/context

The aim of the proposed Enhanced Direct Access (EDA) Programme “**Climate change adaptation solutions for Local Authorities in the Federated States of Micronesia**” is to shift the status quo from a pathway of climate vulnerability, elevated health risks and limited socioeconomic development for vulnerable communities in the Federated States of Micronesia (FSM) to one of improved food and water security, enhanced disaster risk reduction (DRR) and recovery, and improved socioeconomic development by building the adaptive capacity of Local Authorities (LAs) to respond to climate change.

This ambitious programme – financed by the Green Climate Fund (GCF), the Government of FSM and the Pacific Community (SPC) – will address climate risks threatening socio-economic development improving food and water security, enhancing disaster risk reduction (DRR), and building capacity to respond to climate change at the local level. This will be achieved by:

- Empowering Local Authorities (State governments and municipalities) to deliver climate change adaptation services to communities.
- Establishing a grant facility to enable local communities to build resilience.

A Resilient Communities Grant Facility (RCGF) will fund sub-projects for local-level adaptation to climate change. Local Authorities will also receive technical and institutional support to enable them to better deliver on economic, social, environmental and gender-equitable outcomes for building adaptive capacity and resilience to the changing climate.

The RCGF will provide direct access to climate finance for **municipalities** and **State governments** across all four States in the Federated State of Micronesia. It will support 30–40 sub-projects of USD 75,000–1,000,000 in three thematic areas: i) DRR and Coastal Protection, ii) Food Security, and iii) Water Security. Approval of sub-projects will be based on the needs of vulnerable communities and the viability of the proposed interventions.

Summary of sub-project application process:

1. Expressions of Interest (EOIs) for sub-projects will be issued. There will be five EOIs over the lifetime of the programme.
2. Local Authorities submit applications in response to EOIs in a two-step process (concept and full proposal). Technical support for sub-project design will be provided, if needed.
3. Proposals will be screened against selection criteria and approved by the Programme Board.
4. The Local Authority will implement the sub-project activities in coordination with the Programme Coordination Unit.

### B. Purpose, objectives, scope of services

The Enhancing Direct Access Program through Component 1 aims to develop the capacities of Municipalities and State Government in the Federated States of Micronesia to prioritize their climate change adaptation interventions and develop proposal to access grants. **Component 2 is focused on enhancing community resilience through implementation of priority adaptation sub grants in the thematic areas of disaster risk reduction, food security and water security.** A gender consultant is being

recruited to ensure that gender is mainstreamed into the activities of the EDA Programme in 2024.

Specifically, the consultant will perform at least, but not limited to the following tasks:

- Conducting reviews of existing strategic documents/ plans including the EDA Gender Assessment and Action Plan (GAAP), Communications Strategy and Action Plan. The gender may support stakeholder consultations in reviewing this document.
- Ensuring gender inputs in the development and finalization of Training of Trainers Packages for Local Authorities (Municipal and State Governments) and Facilitating Agents. This will also include reporting and monitoring templates. The consultant shall support and engage in trainings for Local Authorities and Facilitating Agents.
- Provide technical support and guidance on gender mainstreaming for Facilitating Agents.
- Provide technical expertise to Municipal and State Governments to strengthen gender inclusion during grant preparation and implementation
- Ensuring positive gender outcomes incorporated and considered into development and finalization of sub grants.
- Support screening of grant applications and expression of interests
- Support the EDA Programme Coordination Unit in strengthening gender sensitivity and inclusion into planning, implementation and reporting of progress. This includes strengthening of linkages to the EDA Gender Analysis and Action Plan Annex
- Assist the EDA Program Coordination Unit identifying experiences and best practices which will strengthened mainstreaming gender in the thematic areas of food security, water security and disaster risk reduction.
- Support the EDA with monitoring and evaluation on gender inclusion on projects and activities
- **Methodology:** the consultant is expected to compile and submit a methodology for undertaking this task. It is anticipated that this would include desk review, consultations with stakeholders (national government, state government, municipalities, and non-governmental organisations) and a combined stakeholder discussion to validate findings of the draft training package.

The consultant may work with other stakeholders wherever necessary.

It is critically important for the consultant to carry out these tasks while keeping SPC and the EDA Program Coordination Unit fully involved/informed.

There are other consultancies being undertaken by the EDA Programme, of which some of the findings may provide leads/useful information for the gender consultant.

### C. Timelines

This consultancy is for a period of 40 days. The consultant is expected to commence no later than 30<sup>th</sup> of April 2024, with completion by January 20, 2025.

#### **D. Reporting and contracting arrangements**

The consultant will be under the overall supervision of the EDA Programme Coordinator, also be based at the Micronesia Regional Office.

Duty station and travel:

- The consultant will be home based. The consultant is expected to include professional fees in his/her submission.
- Any travel under this consultancy will be arranged by SPC
- SPC will not cover separate lines for overheads/running costs, contingencies. If these apply, the costs are to be considered in the fees charged for the delivery of the specific services.
- SPC will not cover any communication IT equipment for the duration of the assignment. The consultant is to ensure stable internet connection for zoom interactions when necessary.
- Any work-related expenses (software, tools, office supplies etc...) shall be covered by the Consultant.
- SPC does not provide insurance for consultant's travel or health, professional indemnity or any other risks or liabilities that may arise during the consultancy (this includes any subcontractors or associates the consultant may hire). SPC is also not responsible for any arrangements or payments related to visas, taxes, or duties for which the consultant may be liable.

#### **E. Skills and qualifications**

The consultant should have the following qualifications and skills.

- Bachelor's Degree in development, geography, development, conservation, management, and/or 5 years of relevant experience
- In depth understanding of gender issues and sensitivity in and across the different states in the FSM
- Previous experience providing gender support for projects and awareness raising is essential.
- Fluency in English
- Understanding of local culture and diversity within FSM
- Demonstrated understanding of realities of project implementation at state level including local cultures and geographical factors
- Established networks with Municipal governments, State governments, Non-Governmental Organisations, and other stakeholders.
- Demonstrated experience and knowledge of gender and social inclusion.
- Experience in undertaking previous consultancies

#### **F. Scope of Bid Price and Schedule of Payments**

- The contract price is lump sum payments based on below milestones

- Financial proposal to include professional fees
- Any travel under this consultancy will be arranged by SPC
- Bidder is requested to specify the preferred schedule of payments and terms acceptable, noting that generally, SPC will not enter into arrangements requiring a 100% advance payment.
- Terms of payment shall be in accordance with the the provisions of Article 10 of the SPC General Conditions

<b>Milestone/deliverables</b>	<b>Deadline</b>
Submission and acceptance of a workplan and methodology	15 May 2024
Submission and acceptance of a progress report for May – June Includes technical support, progress/achievements, challenges, lessons learnt and follow up action items	12 July 2024
Submission and acceptance of a progress report for July .Includes technical support, progress/achievements, challenges, lessons learnt and follow up action items	15 August 2024
Submission and acceptance of a progress report for August – September. Includes technical support, progress/achievements, challenges, lessons learnt and follow up action items	October 15, 2024,
Submission and acceptance of a progress report for October – November. Includes technical support, progress/achievements, challenges, lessons learnt and follow up action items	December 10, 2024
Final report documenting all support provided through this consultancy, achievements, lessons learnt and recommendations for future gender support.	January 20, 2025,
<b>TOTAL</b>	

#### **G. Annexures to the Terms of Reference**

The following is the list of supporting documents that may be of assistance in understanding the scope of project:

Annexure 1 – EDA Program Funding Proposal

## Part 4: PROPOSAL EVALUATION MATRIX

### 4.1 Competency Requirements & Score Weight

The evaluation matrix below reflects the obtainable score specified for each evaluation criterion (technical requirement) which indicates the relative significance or weight of the items in the overall evaluation process.

Evaluation criteria	Score Weight (%)	Points obtainable
<b>Mandatory requirements</b>		
<ol style="list-style-type: none"> <li>1. Consultants CV</li> <li>2. Completed Technical and Financial Proposal Submission forms.</li> <li>3. Draft work plan</li> <li>4. Covering letter including skills and competencies</li> </ol>	<b>Mandatory requirements.</b> Bidders will be disqualified if any of the requirements are not met	
<b>Technical requirements</b>		
<ul style="list-style-type: none"> <li>▪ <b>Technical requirement 1:</b> In depth understanding of gender issues in the FSM</li> </ul>	20%	140
<ul style="list-style-type: none"> <li>▪ <b>Technical requirement 2:</b> Previous experience providing gender support for projects and awareness raising is essential</li> </ul>	20%	140
<ul style="list-style-type: none"> <li>▪ <b>Technical requirement 3:</b> Demonstrated understanding of realities of project implementation at state level including local cultures and geographical factors</li> </ul>	20%	140
<ul style="list-style-type: none"> <li>▪ <b>Technical requirement 4:</b> Established networks with Municipal governments, State governments, Non-Governmental Organizations, and other stakeholders</li> </ul>	20%	140
<ul style="list-style-type: none"> <li>▪ <b>Technical requirement 5:</b> Bachelor's degree in development, geography, development, conservation, management, and/or 5 years of relevant experience</li> </ul>	20%	140
<b>Total Score</b>	<b>100%</b>	<b>700</b>
