## Part 1: INTRODUCTION

### 1.1 About the Pacific Community (SPC)

The Pacific Community (SPC) is the principal scientific and technical organisation of the Pacific region, established by treaty in 1947 with the signing of the Agreement Establishing the South Pacific Commission (the Canberra Agreement).

SPC has our headquarters in Noumea, New Caledonia and has regional offices in Fiji, the Federated States of Micronesia and Vanuatu, as well as an office in France. SPC works across the Pacific and has staff in nearly all of our Pacific Island Country and Territory members.

SPC works for the well-being of Pacific people through the effective and innovative application of science and knowledge and is guided by a deep understanding of Pacific Island contexts and cultures. Our unique organisation covers more than 20 sectors and is renowned for knowledge and innovation in such areas as fisheries science, public health surveillance, geoscience and conservation of plant genetic resources for food security.

For more information about SPC and the work that we do, please visit our website: <https://www.spc.int/>.

### 1.2 SPC's procurement activities

SPC's procurement activities are guided by the principles of high ethical standards, value for money, open competition and social and environmental responsibility and are carried out under our Procurement Policy.

SPC's *Procurement Policy* provides the framework for ensuring that SPC obtains the best value for its purchases, in terms of both cost and quality; demonstrates financial probity and accountability to its members and development partners; manages and prevents the potential for conflicts of interest; reduces its environmental impact and manages any other risks.

At SPC, all procurement follows the same main steps: planning; statement of needs; requisition; solicitation; evaluation; award; receipt; and payment. Different procedures apply depending on the value of the goods, services and works to be procured.

For further information or enquiries about SPC's procurement activities, please visit the procurement pages on our website: <https://www.spc.int/procurement> or email: [procurement@spc.int](mailto:procurement@spc.int).

### 1.3 SPC's Request for Proposal (RFP) Process

At SPC, procurement valued at more than EUR 45,000 must be advertised through a Request for Proposal (RFP) with any bids received evaluated by SPC's Procurement Committee to determine the offer that provides the best value for money.

This RFP sets out SPC's requirements and it asks you, as a bidder, to respond in writing in a prescribed format with pricing and other required information. The RFP contains detailed instructions and templates to enable you to submit a compliant bid. It sets out the overall timetable; it confirms the evaluation criteria that SPC will use to evaluate proposals; it explains the administrative arrangements for the receipt of the bids; and it sets out how bidders can request further information.

Your participation confirms your acceptance of SPC's conditions of participation in the RFP process.

## Part 2: INSTRUCTIONS TO BIDDERS

### 2.1 Background

SPC invites you to submit a bid to deliver the services as specified in [Part 3](#).

SPC has advertised this RFP on its website and may send it directly to potential vendors. The same specifications, submission and other solicitation requirements will be provided to all vendors.

SPC has compiled these instructions to guide prospective bidders and to ensure that all bidders are given equal and fair consideration.

Please read the instructions carefully before submitting your bid. For your bid to be considered, you must provide all the prescribed information by the closing date and in the format specified.

### 2.2 Submission instructions

Your submission must be clear, concise and complete and should only include information that is necessary to respond effectively to this RFP. Please note that you may be marked down or excluded from the procurement exercise if your submission contains any ambiguities or lacks clarity.

Your proposal must include the following documents (annexes of [Part 5](#) of the RFP):

- a) Bidder's Letter of Application (Annex 1);
- b) Conflict of Interest Declaration (Annex 2);
- c) Information about the bidder and Due diligence (Annex 3);
- d) **Technical proposal** submission form (Annex 4);
- e) Details of flat-rate tariffs proposed by CPS (Annex 5).

Your proposal must be submitted in via **email**.

You must submit your **Technical proposal** (Annexes 1 to 4 and all their supporting documents) in English as an attachment to one email. No financial information may appear in the technical proposal.

Your email is to be sent to [procurement@spc.int](mailto:procurement@spc.int) with the subject line of your email as: **Submission RFP24-6137 - Freelance conference interpreters** .

Your proposal must be received no later than **5/05/2024** by **23H45 UTC+11 (Nouméa time)**. Only one bid per bidder is permitted.

SPC will send a formal acknowledgement to each proposal received before the deadline.

SPC reserves the right to exclude from consideration any proposal not received by the deadline, with incomplete information or in incorrect form.

### 2.3 Clarifications

You may submit questions or seek clarifications on any issue relating to this RFP. The questions are to be submitted in writing to [procurement@spc.int](mailto:procurement@spc.int) with the subject line: **Clarification RFP24-6137 - Freelance conference interpreters**. The deadline for submission of clarifications is **25/04/2024** by **16h00 UTC+11 (Nouméa Time)**.

Details will be kept of any communications between SPC and bidders. This assists SPC to ensure transparency of the procurement process. While SPC prefers written communication in the RFP process, at any point where there is phone call or other conversation, SPC will keep a record or a file note of the exchange with prospective bidders.

## 2.4 Evaluation

### Validity

Each proposal will be assessed for compliance with the submission requirements by the Bids Opening Committee. At this stage, basic due diligence will also be undertaken.

To assist in the examination, evaluation and comparison of proposals, SPC may ask the bidder for clarification of its proposal or additional information. The request for clarification will be in writing.

### Technical

All valid proposals will be assessed against the technical evaluation criteria set out in Part 4. The criteria are provided with weighted scores according to the relative importance of each. SPC will not change the evaluation criteria set out in the RFP at any stage of the procurement process. Any changes in the evaluation criteria will result in the RFP process being re-issued.

Bidders are expected to familiarise themselves with local conditions and take these into account in preparing their proposal. Where minimum qualifications are set as specific evaluation criteria (which may include educational qualification, professional accreditation or certification, licensing, experience and expertise), proposals submitted must necessarily meet these criteria.

### Financial

This RFP does not involve the submission of a financial offer. The cost of each service will be set out by SPC on the basis of a flat rate (specified in Annex 5):

- EUR 650 - Full day interpretation
- EUR 350 - Half-day interpretation
- EUR 350 - Full-day travel time
- EUR 350 - Preparation (half day)

These rates do not include taxes as per relevant legislation and may be modified at SPC's initiative.

**By signing Annex 5, the candidate undertakes to accept these rates.**

## 2.5 Contract award

The purpose of this RFP is to implement Preferred Supplier Agreements (PSAs) with freelance interpreters. Initial contract will be for one (1) year and can be renewed for three (3) more years based on performance. Implementation contracts or POs will be issued for specific work under the PSA.

SPC may award the contract once the Procurement Committee has determined that a bidder has met the prescribed requirements and the bidder's proposal has been determined to be the most responsive to the RFP documents, provide the best value for money and best serve the interests of SPC.

SPC's [General Terms and Conditions of Contract](#) will apply to any contracts awarded under this RFP, unless otherwise agreed. Any requested changes to the General Terms and Conditions of Contract must be foreshadowed in the submission. In the absence of requests for changes, the General Conditions of Contract and the terms of the PSA contract shall be deemed to be known, understood, and accepted by the bidder. A sample PSA is attached to this RFP.

The award of the contract will be made by contract signed and dated by both parties.

## 2.6 Key dates

Please see the proposed procurement timetable in the table below. This timetable is intended as a guide only and while SPC does not intend to depart from the timetable, it reserves the right to do so at any stage.

STAGE	DATE
<b>RFP advertised</b>	5/04/2024
<b>Deadline for seeking clarification</b>	25/04/2024
<b>RFP Closing Date</b>	5/05/2024

## 2.7 Legal and compliance

**Child and vulnerable adult protection:** SPC is committed to the well-being of children and vulnerable adults. All SPC contractors are required to commit to the principles of SPC's Child and Vulnerable Adult Protection Policy ([XI.G Manual of Staff Policies](#)). Breach of this requirement can result in SPC terminating any contract with a successful bidder. Any allegations of potential misconduct in relation to this RFP involving children or vulnerable adults should be sent to [complaints@spc.int](mailto:complaints@spc.int).

**Confidentiality:** Unless otherwise agreed by SPC in advance or where the contents of the RFP are already in the public domain when **shared** with the bidder, bidders shall at all times treat the contents of the RFP and any related documents as confidential. SPC will also treat the information it receives from the bidders as confidential.

**Conflict of interest:** Bidders must take all necessary measures to prevent any situation of conflict of interest. You must notify SPC in writing as soon as possible of any situation that could constitute a conflict of interest during the RFP process. If you have any familial connection with SPC staff, this must be declared, and approval will then be sought for you to engage in the RFP process. Breach of this requirement can result in the exclusion of the bidder from the RFP process or in SPC terminating any contract with a successful bidder.

**Cost of preparation of proposals:** Under no circumstances will SPC be liable for any proposal submission costs, expenditure, work or effort that you may incur in relation to your provision of a proposal (including if the procurement process is terminated or amended by SPC).

**Eligibility:** Bidders are required to disclose to SPC whether they are subject to any sanction or temporary suspension imposed by any international organisation, or whether they are subject to bankruptcy proceedings. You may not be bankrupt or suspended, debarred, or otherwise identified as ineligible by any international organisation. Failure to disclose such information may result in debarment and termination of any contract issued to the bidder by SPC.

**Fraud and corruption:** SPC has zero tolerance for fraud and corruption. All contractors have an obligation to report potential fraud and corruption. Breach of this requirement can result in the exclusion of the bidder from the RFP process or in SPC terminating any contract with a successful bidder. Allegations of potential misconduct by an SPC staff member or contractor involving fraud or corruption can be sent to [complaints@spc.int](mailto:complaints@spc.int).

**Good faith:** The information in this RFP is provided by SPC in good faith. No representation, warranty, assurance or undertaking (express or implied) is or will be made, and no responsibility or liability will be accepted by SPC in relation to the adequacy, accuracy, completeness or reasonableness of this RFP or any information provided by SPC in relation to this RFP.

**Modifications:** Any clarifications, corrections or modifications will be published on the SPC website prior to deadline. In the event a bidder has submitted a bid before the clarification, correction or modification, the bidder will be informed and may modify the bid. The modified bid will still need to be received before the deadline.

**No offer of contract or invitation to contract:** This RFP is not an offer to contract or an invitation by SPC to enter into a contract with you.

**Privacy:** The bidder is to comply with the requirements of applicable legislation and regulatory requirements

in force for the use of personal data that is disclosed for the purposes of this RFP. SPC will handle any personal information it receives under the RFP in line with its [Privacy Policy](#), and the [Guidelines for handling personal information of bidders and grantees](#).

**Right to amend, seek clarity, withdraw, not award:** SPC reserves the right to: (1) amend, add to or withdraw all or any part of this RFP at any time, or to re-invite bids on the same or any alternative basis; (2) seek clarification or documents in respect of any bidder's submission; (3) choose not to award a contract as a result of this RFP; (4) make whatever changes it sees fit to the timetable, structure or content of the procurement process, depending on approvals processes or for any other reason. Please note that while SPC will not change the evaluation criteria set out in the RFP without the RFP process being re-issued, SPC does reserve the right at the time of award of contract to vary the quantity of services and goods specified in the RFP and to accept or reject any proposal at any time prior to award of the contract without incurring any liability to the affected bidder or any obligation to inform the affected bidder/s of the grounds for SPC's action.

**Right to disqualify:** SPC reserves the right to disqualify: (1) any bidder that does not submit a proposal in accordance with the instructions in this RFP; (2) any bidder that misrepresents information to SPC; (3) any bidder that directly or indirectly canvasses any SPC employee concerning the award of a contract.

**Use of material:** Bidders shall not use the contents of the RFP or any related material for any purpose other than for the purpose of considering submitting, or submitting, a bid to SPC.

**Warranty, representation, assurance, undertaking:** The bidder acknowledges and agrees that no person has any authority to give any warranty, representation, assurance or undertaking on behalf of SPC in connection with any contract which may (or may not) follow on from this RFP process.

## 2.8 Complaints process

Bidders that consider they were not treated fairly during any SPC procurement process may lodge a protest. The protest should be addressed to [complaints@spc.int](mailto:complaints@spc.int). The bidder must provide the following information: (1) full contact details; (2) details of the relevant procurement; (3) reasons for the protest, including how the alleged behaviour negatively impacted the bidder; (4) copies of any documents supporting grounds for protest; (5) the relief that is sought.

## Part 3: Terms of Reference

### Project description

The Pacific Community (SPC) wishes to establish preferred supplier agreements (PSA) with experienced freelance interpreters with either French or English as their “A” language and the other language as an active “B”, who will be called upon to provide their services for specific assignments under an external contracting system.

Service providers may be based in New Caledonia or anywhere else that allows them to perform the assignments they may receive. They will be required to provide high-quality simultaneous, consecutive or liaison interpretation services between English and French from the booths at SPC Headquarters in Noumea and possibly elsewhere in New Caledonia and the region (using mobile equipment), or in remote or “hybrid” modes from home or through platforms such as Zoom, under the responsibility of the SPC Interpretation Team Leader.

They may be required to travel within/to New Caledonia or elsewhere in the region to perform their assignments.

Candidates should also note that SPC regularly uses a “bidule” system, both indoors and outdoors.

While SPC does outsource interpretation assignments, no guarantee can be given in advance as to the nature or amount of work that may be offered to each service provider.

Interpreters will be selected on the basis of their qualifications and professional experience. Selected professionals will be added to the SPC roster for freelance interpreters. Those freelance interpreters currently working for SPC **must** respond to this RFP if they wish to keep working with SPC, otherwise SPC will not be able to offer them PSAs.

A selection process will be carried out for those who respond to this RFP. After initial review of the applications, a shortlist will be drawn up. Final selection of candidates for the award of a PSA will be based on:

- ✓ -The admissibility of the application submitted
- ✓ -Final approval by the Procurement Committee of the applications submitted.

### A. Scope of services

Successful service providers, whether based in New Caledonia or elsewhere in the world, will be expected to deliver high-quality work using the best professional practices. The subject matter may be scientific, technical, legal or administrative and will relate to SPC’s various areas of development activity in the Pacific Islands region (<https://www.spc.int/about-us/divisions>). Their work will be subject to quality-control procedures.

### B. Institutional arrangements

The pool of freelancers is managed by the Interpretation Team Leader.

Freelance interpreters will report to the Interpretation Team Leader and/or the SPC team leader appointed for each assignment. Freelance interpreters assigned a job shall liaise with the Interpretation Team Leader or his/her representative on all matters relating to that assignment.

Freelance interpreters shall comply with SPC values and behaviours when on assignment.

### **C. Timelines**

The initial PSA set up with successful candidates will be for one (1) year, with a possible extension for another three (3) years depending on the outcomes and quality of the services provided.

During that time, the SPC Interpretation team will inform service providers of interpreting assignments for each request. In the event of changes in the assignment dates, the Interpretation team will inform the relevant service provider of such changes. If, exceptionally, the person given that interpretation assignment can no longer do so on the new dates set, they will immediately inform SPC.

### **D. Duty Station**

Service providers may be based in New Caledonia or anywhere else that allows them to perform the assignments they may receive.

They may be required to travel within/to New Caledonia or elsewhere in the region to perform their assignments.

### **E. Qualifications of the successful candidate**

- Extensive experience in conference interpretation with international organisations as a staff or freelance interpreter working both ways between French and English (English or French as an 'A' language and the other language as an active 'B') in areas relevant to SPC activities (at least 5, preferably 10 years)
- Master's level qualification in interpretation or equivalent professional experience
- Membership of a national or international professional association (e.g. AIIC)
- Familiarity with RSI platforms or hubs or with working remotely from home
- Sound knowledge of the main activities SPC carried out in the region will be an advantage.

### **F. Scope of Bid Price and Schedule of Payments**

Successful service providers will be asked to accept a fee structure determined by SPC (Annex 5) by supplying separate quotes for each job based on those rates.

Any interpreting assignment requiring travel will be handled separately by SPC in accordance with the requirements of the SPC Travel Policy.

## Part 4: PROPOSAL EVALUATION MATRIX

### 4.1 Evaluation criteria & Score Weight

The competencies which will be evaluated are detailed in [Part 3](#).

The evaluation matrix below also reflects the obtainable score specified for each evaluation criterion (technical requirement) which indicates the relative significance or weight of the items in the overall evaluation process.

## Annex 2: CONFLICT OF INTEREST DECLARATION

### INSTRUCTIONS TO BIDDERS

#### What is a conflict of interest?

A conflict of interest may arise from economic or commercial interests, political, trade union or national affinities, family, cultural or sentimental ties, or **any other type of relationship or common interest between the bidder and any person connected with the contracting authority** (SPC staff member, consultant or any other expert or collaborator mandated by SPC).

#### Always declare a conflict

The existence of a potential or apparent conflict of interest does not necessarily prevent the bidder concerned from taking part in a tender process. **However, the declaration of the existence of such a conflict by the persons concerned is essential and allows SPC to take appropriate measures to mitigate it and prevent the associated risks.**

Bidders are therefore invited to declare any situation, fact or link which, to their knowledge, could generate a real, potential or apparent conflict of interest.

#### Declaration at any time

Conflicts of interest may arise at any time during the procurement process or the implementation of a contract (e.g. new partner in the project) or as a result of a change in personal life (e.g. marriage, inheritance, financial transaction, creation of a company). If such a relationship is found and could be perceived by a reasonable person as likely to influence a decision, a declaration of the situation is necessary. In case of doubt, a conflict situation must be declared.

#### Declaration for any person involved

A declaration must be completed for each person involved in the tender (principal representative of the bidder, possible subcontractors, consultant, etc.)

#### Failure

Failing to declare a potential conflict of interest may result in the bidder being refused a contract or placed on SPC's list of non-responsible suppliers.

I acknowledge that I and/or my company and/or my business partners who are jointly and severally bidding on the RFP *[SPC Reference]* may be subject to sanctions such as being placed on SPC's list of non-responsible vendors, if it is established that false statements have been made or false information has been provided.
